I. Read official memo No. 9567—L. F. 272-93 of the 18th February 1896, from the Secretary to Government in the Revenue and General Departments, forwarding for disposal the petition of Subba Sastri of Srirangarajpur Agrahar in the T. Narsipur Taluk, praying for the construction of a Dharmasala at Bevinahalli in the same taluk.

Resolved—that as there is a lot of accommodation at Bannur, which is only three miles from Bevinahalli where a Dharmasala is prayed for, it is not necessary to build one there (Bevinahalli).

Proposed by Mr. Amble Annaiya Pandit, that if the petitioner build a chattram there the Board may make a suitable grant.

Resolved—that if he builds a good useful chattram a suitable grant may, after further resolution, be made.

II. Read the Executive Engineer's docket No. 16—8 of the 6th January 1896, forwarding an estimate for Rs. 536 for executing some special repairs to Gundlupet-Chamrajnagar road.

Resolved—that it be passed as the Executive Engineer says that it is not possible to do the special repairs out of the annual maintenance allotment.

III. Read Government order No. 7189-97—L. F. 71-94 of the 21st December 1895, stating that it is not necessary to light the musafirkhanas.

Resolved—unanimously that the Government be requested to reconsider the matter as it is very necessary to light the musafirkhanas for the convenience of the poor travellers and as the cost thereof is very small.

IV. Read docket No. 451—149 of the 8th February 1896, forwarding for reconsideration the estimate for Rs. 2,625 for executing special repairs to Hunsur-Hangode road.

Resolved—that the Executive Engineer be requested to get on with the annual maintenance allowance as the road is not very important to spend more on it.

V. Read the T. Narsipur Amildar's report No. 32 of the 18th December 1895, sending an estimate for Rs. 60—9—0 for improving the sanitation of Bannur.

Resolved—that it be passed.

VI. Read Mr. Member Amble Annaiya Pandit's communication, dated the 23rd January 1896, suggesting the construction of cause-ways across the T. Narsipur-Chamrajnagar road between the 9th and 10th mile stones.

Resolved—that the work be got done at once.

VII. Read the Mysore Municipal Vice-President's Yadi No. 79 of the 17th February 1896, enquiring if the District Fund Board will bear one-third of the cost of paving the floor of the dispensary at Erangere with Kadapa stones.

Resolution—This Board is of opinion that it is not necessary to carry out this work.

VIII. There is a non-official member for each taluk, but none for the Gundlupet Taluk. It is, therefore, resolved that the Government be asked to raise the number of the non-official members from 7 to 8.

B. K. VENKATAVARADAIENGAR, *President.*
